Okay, so you're in high school, and you have this thing coming up: summer break. Most of your friends just want to hang out, but you want to do more with your life. You want to make a difference. Maybe we can help... We have a program called Youth Reachout, where students from all over North America get together on Word of Life Island for a week of training, then head out for an incredible missions experience. You'll be involved in all kinds of ministry, see the world, and come back a changed person. So, check out our website and join us. You won't regret it.

Want to take your group on a missions trip? Don't know where to start? You're not alone. Many leaders are in the same place as you are. That's exactly why we offer our Teams Reaching the Lost (TRL) program. We have locations in over 60 countries around the world, and we can customize a missions experience just for you. Let us take care of the trip details, so that you can stay focused on one thing: ministry.

Choose your own adventure. Word of Life's Launch program provides the opportunity to do just that! We have opportunities and needs for short-term missionaries all over the world. Some commit for as little as 2 weeks, while others go for as much as 2 years. If you're ready to take the next step in your missions experience, this program is for you. Many of our fulltime missionaries made a commitment to missions through Launch. Maybe you'll be the next one. Check the website to see where you might fit.
