

Bulletin #1

Times Union Center - Albany, NY

Nov 4, 2011

Registrations are coming in! Please help us by reading bulletins and updates. All publications will also be posted on our website.

Continue to do all that you can to recruit and register as you get them. Use the NEW online Registration to register those you are sure are coming. Continue to recruit, even after deadlines. Often those last minute students are the unconverted and the purpose of Superbowls is to share the gospel message.

Registrations must be done through a group leader.

Registration rate is \$47/ ticket until Oct 28th. After that date the At Door Price is \$52/ ticket. **Please use the on line Registration**, but feel free to call us for details or help.

Our registration process is **put on "hold" on October 31**. To add more people after that date just bring them the night of the Superbowl and pay at the Registration Check In. Based on Oct. 31 registrations we finish details like ordering hockey tickets, final pizza orders, Rally team assignments and staff adjustments.

Download additional info, bulletins and permission slips at www.albany.superbowl.wol.org.

Order your 2011 SB T-shirts by calling the Registration Office. The shirts with the 2011 SB logo are a great way to promote and recruit for the Superbowl.

On the night of the Superbowl a leader from your group needs to check in at the Word of Life Registration Check In. That is where you pick up your hockey tickets, wristbands, maps, directions, etc. The check in area is located on the South Pearl St. side of the building at the Lower Level Atrium entrance.

All vehicles (other than busses) need to park in the Times Union Parking Garage. **DO NOT use any other parking garage!!** Other garages lock up one hour after the game ends and do not reopen until Saturday afternoon. Every year I warn attendees and every year a church group ends up with their vehicles locked in a closed garage.
